The Matthew 18 Principle for Solving Problems

A Christian school is made up of people, students, teachers, administrators, and parents. Like any group, the potential for misunderstanding, disagreement and even wrong doing is present. Nevertheless, it is God's will that we live and work together in harmony. Jesus said, "A new command I give you: Love one another. By this all men will know that you are my disciples, if you love one another." (John 13:34-35)

Due to our human nature we may at times have irritations, misunderstandings or strong disagreements. In Matthew 18:5-7 Jesus gives His formula for solving person-to-person problems. The following are the words of Jesus:

If your brother sins against you, go and show him his fault, just between the two of you. If he listens to you, you have won your brother over. But if he will not listen, take one or two others along, so that every matter may be established by the testimony of two or three witnesses. If he refuses to listen to them, tell it to the church; and if he refuses to listen even to the church, treat him as you would a pagan or a tax collector. (Matt. 18:15-17)

There are several clear principles that Jesus gives us in this passage concerning solving people-to-people problems:

▼ **KEEP THE MATTER CONFIDENTIAL**

The very pattern of sharing the problem only with those directly involved establishes the principle of confidentiality. The Bible has much to say about those who gossip or malign others with their words. "With his mouth the godless destroys his neighbor, but through knowledge the righteous escape." Proverbs 11:9

▼ **KEEP THE CIRCLE SMALL**

If your brother sins against you, go and show him his fault, just between the two of you. The first step and most often the only step needed in solving a personal problem is for one of the two people involved to initiate a face-to-face dialogue.

▼ **BE HONEST**

It is important to be forthright and to love honestly. Sometimes it is difficult to be straight forward and tell someone the very heart of the matter. But restoration can only come when the issues are lovingly, yet clearly presented. The Scripture says, "Wounds from a friend can be trusted." Proverbs 27:6

▼ BE FORGIVING

“If he listens to you, you have won your brother over.” This implies once the matter is resolved, we should wholeheartedly forgive and restore the person whose fault has offended us. Galatians 6:1 reads, “Brothers, if someone is caught in a sin, you who are spiritual should restore him gently.” Forgiveness and restoration is the normal, happy conclusion. Most problems are solved at the two people level. However, if the individual will not “hear” you, or openly disagrees with your version of the problem, move to the next step of the Matthew 18 Principle.

These principles can be applied in the following manner: As a parent in our school if you are unhappy with a teacher because you believe your child is being treated unfairly, meet with the teacher and talk together. If you are not satisfied with the outcome of your discussion, the next step in the Matthew 18 Principle would be for the parent and the teacher to share the matter with the director.

Jesus said, “Take one or two others along, so that every matter may be established...” Both parent and teacher must discuss their concerns about the issue or issues with the director. Each person should come to the meeting in a spirit of prayer and humility, willing to submit to the Lord's will in the matter and also willing to receive reproof and correction, if needed. Those of us who bear the name of Christ should joyfully conform to the will of Christ. An open and honest discussion among people who are sensitive to godly principles will most often reach an amiable solution.

It is estimated that 80% of school problems are solved at the two people level. Another 18% of school problems are solved at the three and four people level. This leaves 2% to be resolved at the level of the school board. The board represents the church or church community. If a problem has not been resolved by the previous actions, the director will explain the problem to the president of the school board. Depending upon the complexity of the problem, it may be appropriate for the board president to request that all persons involved be present and discuss the problem with him. If there is still no resolution, the board president may request that all parties present the issue(s) to the school board.

The goals of the board are: 1) a clear understanding of the problem; 2) solving the problem; 3) reproof and correction if necessary; and 4) forgiveness and wholehearted restoration of those who have made amends.

In summary, the Matthew 18 Principle requires that parents talk to teachers about student problems before they talk to administrators. If unresolved at the two people level, the matter is prayerfully and in an orderly fashion moved upward in the school's organizational structure. This is the Biblical way of solving people-to-people problems.

The Matthew 18 Principle shall also be applied by board members in the same manner. Problems or concerns should first be shared with the Board Representative. If unresolved, the matter should be discussed with the school board committee having

responsibility for the area of concern, and finally, if satisfaction has not been achieved, the issue should be brought before the entire board.

As stated, keeping the matter confidential, the circle small, being honest and forgiving is the formula Jesus gave us.

A Christian school is a ministry in Christ's name. Everything that is done in the context of the school must be done Christ's way. The world's methods of solving school problems is inappropriate. Satan would like to destroy the normal flow of harmony and good fellowship in Christian school education. This is not possible if all parties follow the Matthew 18 Principle of solving school problems.

I. Mission Statement

Understanding that our children are gifts from God, Laguna Madre Christian Academy is committed to excellence in providing a strong academic education for each child through discovery, discipline and demonstration; as well as, the development of the whole child spiritually, intellectually, morally, socially and physically in an inter-denominational Christian learning environment. The concept of educating the whole child nurtures unique abilities, God-given talents, and achievements. It also supports character development and prepares each child for life as an active learner, problem solver, independent thinker and an inter-dependent good citizen, both in our community and the Kingdom of Christ Jesus.

II. Philosophy and Purpose

The purpose of Laguna Madre Christian Academy is to provide an education of academic excellence from a Christian perspective. Starting with the belief that God is the source of all truth and knowledge, education becomes the exciting task of learning the truths of God's creation, appropriating those truths in building character and implementing this knowledge in the activities of daily life.

This view of education rests upon the historic Christian faith as contained in the Holy Scriptures. Laguna Madre Christian Academy believes the admonition to "train up a child in the way he should go..." (Proverbs 22:6), includes a well balanced and high quality education that is based on a Biblical foundation. LMCA offers through its instruction a demanding academic curriculum coupled with a strong emphasis on the development of sound moral values.

We maintain that Christianity is not merely a religion or just another subject. Christianity is the governing factor in all subjects, for only in Christ can a person realize the meaning of life and his place in God's creation. Students cannot be given a true account of the world or of society in an educational context devoid of God. It is our express purpose *to teach every subject area from a Biblical perspective so that each student might live a life glorifying to*

God, and be able to confront confidently and with clarity those problems and challenges he will surely face.

The Laguna Madre Christian Academy is inter-denominational in its enrollment policies, ministering to all families regardless of race or denominational affiliation.

LMCA admits students of any race, color, national and ethnic origin with all rights, privileges, programs and activities generally accorded or made available to students at the school. Absences

Regular attendance and promptness are required of all students. **Parents are asked to call the school office (956) 943-4446 before 10:00 am when their child is absent.** A student is to demonstrate responsibility and dependability through his attendance. Both attendance and tardiness are recorded, and kept on file for reference. A student must be in his classroom in order to be counted as present. If a student does not attend a field trip, he will be counted absent. A student that is absent for three or more days in a row for an illness, must present a doctor's note. A student may not have more than 18 days of unexcused absences for the school year. A student exceeding 18 unexcused absences may be required to appear before the school board and at the discretion of the Director and School Board the student may be retained for excessive absences. Excused and unexcused absences are both included in the absence count.

Tardy Policy

A student must arrive at school on time. Coming into the class late interrupts the teacher and the entire class. ***A student is considered tardy if he is not in the meeting room, with his class at 8:00 A.M.*** A student is considered absent if he is not at school by 9:30 AM. When a student receives 4 tardies a conference with parents and the director may be required. When a student receives 5 tardies, a fee of \$25 will be charged. After 10 tardies, a fee of \$50 will be charged. After 10 tardies, the parent may be required to meet with the School Board and action may be taken at the discretion of the board. Tardies are counted per semester. Tardies because of illness, transportation breakdown, or weather conditions are excused with a dated note from the parent or car pool driver explaining the problem. The school determines excused or unexcused tardies.

Tardy Policy

- 5th Tardy Parent is fined \$25.00
- 10th Tardy Parent is fined \$50.00
- 15th Tardy Parent is fined \$150.00 and meets with the director
- 20th Tardy Parent is fined \$200.00 and student is not allowed to come to school until he/she, along with a parent, meets with the school board.

All fines are added to the student's tuition account. All tardies are counted by semester.

Make-Up Work

In all cases of absences, the student will be required to complete the necessary make-up work. The student will be given a grade of zero for work that is not made up within a specific period of time. **Students are given 2 days for every day missed to make up work and will take any tests/quizzes missed on the second day they return.**

The primary responsibility in the matter lies with the student and parent, **NOT** the teacher. Arrangements for make-up work must be made by contacting the teacher(s) during their planning times at school. If a parent would like to request make-up work, call before noon to allow the teacher(s) time to prepare the work. Work may be picked up in the office.

Parents are encouraged to request make-up work from teachers when their child is absent. If make-up work is not requested it will be assigned once a student returns.

Book Fines

All lost or damaged text books and library books must be replaced at the expense of the student.

Chapel

Chapel services are held each Wednesday at 8:00 am. Parents and friends are welcome and encouraged to attend. Students are required to wear their formal Chapel uniform for all Chapel services.

Classroom Visits

A parent orientation is held a few days before school begins. Parents and students are encouraged to attend.

Parents wishing to visit the classroom at other times must make their request known to the director. The visit will be allowed only at the convenience of the teacher. Parents will be allowed no more than two scheduled classroom visits in one year. Visits of this nature are distracting to the teacher and to the students. The teacher/student atmosphere must be maintained at the highest level possible.

Complaint Procedures

- Express it only to the individual involved**:
- Complaints against a specific individual should be expressed first to the individual in question and need to be expressed to the director only if it cannot be resolved.
- Express it clearly and in love
- Don't share a bad report

**See Matthew 18 Principle for Solving Problems

Parents who refuse to follow these complaint procedures will be called for a conference with the director of the school. Should problems continue following the called conference, the matter will be brought to the attention of the school board. If the parent fails to cooperate with the director, the lack of cooperation may lead to the dismissal of the student by the school board based upon the recommendation of the director.

Conduct and Discipline

- The LMCA Board of Directors has instituted the Homebound Disciplinary Suspension. The time will be defined on a case by case basis. All work, tests and quizzes must be completed in a timely manner and returned to the classroom for grading.
- The student will write a research paper on his/her experience and what they have learned through the ordeal, their knowledge of what this can do to their life and their commitment to lead a more exemplary life.
- The student's conduct grade will be reduced to a C.
- Conditions for a second offense on or off school campus will be automatic expulsion from Laguna Madre Christian Academy.

Laguna Madre Christian Academy is committed to maintaining an academic environment in which every individual treats others with dignity and respect. The following steps will be taken when disciplinary action is needed:

- First conference will be held between the teacher and the student concerning student's behavior.
- Should repeated behavior occur, step two will be a conference between the student and the director. The student will be informed of the consequences of any further behavior.
- Repeated behavior problems will result in a conference with the director, the parent, the teacher and the student. Students will be given a probationary period of two weeks to allow the teacher and director to observe his/her conduct.

If serious disciplinary problems continue, the student will receive up to a three-day suspension. He/she will not be allowed to return until the parent has had a conference with the director and the student shows definite steps toward improvement of his/her behavior. The student will receive zeros for all work missed.

If the student returns to school and still cannot show improvement in his conduct, he will be subject to expulsion by the school board. No fees will be refunded.

We rely upon our parents to uphold the intent and the spirit of our discipline policy. A lack of cooperation between parents of a student and the director may lead to the **dismissal of the student by the school board upon the recommendation of the director.**
