Revised 03/2019

From the Director

Thank you for your interest in Laguna Madre Christian Academy. Where your child goes to school is one of the most important decisions you will ever make. The classroom experience has a profound influence upon the student's character, values and standards of educational excellence.

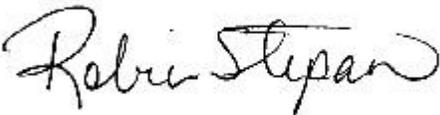

Helping students develop a Biblical framework for learning and living is the primary objective of an education at Laguna Madre Christian Academy. We seek to provide a creative, loving environment for students to grow socially, emotionally, physically, academically and spiritually. Our faculty and staff are carefully chosen for their academic qualifications and Christian commitment. Their desire is to help students reach their academic potential as well as to grow deeper in their faith and relationship to God and to support their families' values.

Many new families are choosing Laguna Madre Christian Academy for their children's education. These parents realize that the future of their children depends upon the philosophy of the classroom. As author and educator Dr. Phillip May has said,

“The school system that ignores God teaches its pupils to ignore God and this is not neutrality; it is the worst form of antagonism, for it judges God to be unimportant and irrelevant in human affairs.”

At Laguna Madre Christian Academy, God and His Word are at the center of every aspect of the school's program. At Laguna Madre Christian Academy, every child will be provided with a beacon of light in the pursuit of truth.

Most sincerely,

Admissions Statement of Purpose

The Laguna Madre Christian academy is a non-denominational Christian school which seeks to educate children in an environment of Christ-like love, Biblical truth and academic excellence. The 1993 Webster's unabridged dictionary defines Christian as, "a believer and follower of the teachings of Jesus." Therefore, the founders of Laguna Madre Christian academy believe that the model for living is Jesus Christ, and that the best educational environment is one in which there is freedom to openly and without hesitancy acknowledge Jesus Christ as Savior and Lord.

The founders of Laguna Madre Christian Academy further believe that reverence for the Lord is the beginning of wisdom. Thus, the Bible is to be regarded as truth without error and a necessary component of the educational process. Those involved with Laguna Madre Christian Academy are themselves committed to living and teaching those children entrusted to their care the fruit of the Spirit which is love, joy, peace, patience, kindness, goodness, gentleness, faithfulness, and self-control.

Laguna Madre Christian Academy is also committed to maintaining constructive discipline policies so that each student has the opportunity to learn in a well-structured and morally healthy environment. Laguna Madre Christian Academy's primary purpose is to promote the glory of God through nurturing children in the way of the Lord and thus preparing them to be a positive and successful influence in the world.

Commitment to Truth

The chief purpose of education is the relentless pursuit of truth. There is true. There is false. There is right. There is wrong. There is good. There is evil. There is real. There is fantasy.

Laguna Madre Christian Academy is committed to the relentless pursuit of truth. There is an absolute standard by which to measure truth. God! Built into every man and woman is the knowledge of God. A sense of divinity which can never be erased is engraved upon the minds of men and women. God has spoken to mankind through His Son, The Lord Jesus Christ, and His Word, The Bible. Jesus Christ and The Word are Truth – the measure of all things. God has not only spoken truth to mankind but God has also revealed truth to mankind through the whole workmanship of the universe. God has given mankind enough natural evidence to conclude that this universe was created by the infinite, personal God, Who is there, and is not silent. Laguna Madre Christian Academy asserts that a true knowledge of creation demands a true knowledge of The Creator. God has given an invitation to all mankind, “Come now, let us reason together”. The laws of logic are the vital tools to keep a dialogue moving in the direction of truth.

Upon the commitment to Truth, the process of learning is built at Laguna Madre Christian Academy.

Within the process of learning, Laguna Madre Christian Academy has certain expectations – that our sons and daughters will accept the rigor and discipline required of scholars; they will take an interest, they will set themselves to learn; they will aim high and strive hard; they will recognize that bare facts, barely expressed, is not wisdom; they will understand that they cannot live without taking sides, without making decisions and taking action; they will understand that they are not free to determine the consequences of their choices; they will understand that the scriptures are the comprehensive equipment of the man and woman of God and fit them fully for all branches of their life’s work; and they will demonstrate that they are masters of their craft and each noble task that comes will find them ready for it.

To the process of learning come teachers for whom Laguna Madre Christian Academy has certain expectations – they will set before students a noble example of Christian grace and virtue; that they lead the life of a Christian scholar in the vast and exciting disciplines they teach and will have something rich and challenging to offer students; they will know each student’s abilities, feelings, values, and hopes; they will respect each student as an image bearer of God, regardless of the student’s performance; they will build many roads to success into the instructional program; and they will assist each student everyday to taste success in any earnest endeavor.

To focus the process of learning, a comprehensive program of studies is under construction which is constant with the system’s approved timeless goals – the system goals are elaborated to become program goals; the program goals are elaborated to become course goals; the course goals are elaborated to become instructional goals; and the instructional goals lead to the development of performance standards for student assessment. Yes, there is essential content to be mastered and there are life-long skills and tools of learning to be acquired. Yes, a Godly and gifted teacher is the heart of the learning process; and, yes, each student must understand that education is an aided form of self-development over which the individual can never be relieved of the fundamental responsibility.

These are the core commitments of Laguna Madre Christian Academy.

Discipline Procedure Laguna Madre Christian Academy

The procedure outlines below established generally how, when and why discipline will be administered at Laguna Madre Christian Academy.

Circumstances that may precipitate discipline: Undesirable behaviors as listed in the LMCA Parent Manual, or other equally inappropriate behaviors or actions, in the judgment of the director, may constitute cause for discipline. In as much as is practical and appropriate given the type and severity of the offensive student behavior, academy staff will follow a progressive discipline procedure seeking to employ the minimum action necessary to correct and end the offensive behavior. However, this is not to say that each step must occur prior to the decision to administer discipline. These steps are:

1. Verbal reprimand directly to student
2. Time out punishment
3. Written note to parent explaining the problem
4. Parent conference (telephone or personal)
5. Suspension (in-school or off campus)
6. Restitution
7. Expulsion

Director's Decision: It shall be the decision of the LMCA director as to when discipline is needed, after prayerful consideration of the offensive behavior, the child's past behavior, the severity of the offense, the teacher's recommendation, and the likelihood that the discipline will correct the behavior. In most circumstances, the director will allow an appropriate "cooling off" period after the offense and before making a final decision that discipline is warranted.

Parent Responsibility: It is the parent's responsibility to support the discipline procedure, Steps 1 through 7, when the discipline has been deemed necessary. Parents may not give a "blanket release" to discipline whenever deemed necessary, but will instead be notified each time prior to administration of discipline.

I have received and read the Discipline Procedure for Laguna Madre Christian Academy, and I understand my role as a parent of a LMCA student.

Parental Agreement Laguna Madre Christian Academy

- ❖ **Philosophy** – By signing this parental agreement, we have read the Statement of Faith and understand that Laguna Madre Christian Academy will adhere to that statement in all student actions.
- ❖ **Parental Involvement** – We understand that the philosophy of the school cannot be fulfilled without parental involvement. Participation in Laguna Madre Christian Academy’s Parent Support Program is required. This involvement shall include, but not be limited to: Participation in fund raising activities, attendance at school functions and parent meetings, support of the homework policy, reading information sent home from school, and communication with your child’s teacher(s). We further understand that in today’s complex society certain circumstances could arise in which school authorities reasonably determine that a child’s attendance at the school poses an unacceptable security risk to the school. If such a determination is made the school may require an immediate withdrawal of that family.
- ❖ **Discipline and Conduct** – The school shall have authority to require our child to comply with all school policies as contained in the Parent/Student Handbook. We agree that we will fully cooperate with the school in maintaining the highest standards of civility for our child. We further understand that the decision of the director in all matters of student discipline is final.
- ❖ **Damages** – We will pay for damages caused by our child.
- ❖ **Activities** - We give permission for our child to participate in all school activities.
- ❖ **Liability** – We release Laguna Madre Christian Academy for all liability, except negligence, while our child is under school care and responsibility.
- ❖ **Placement** – We understand that the school has full discretion in the class placement of our child and the school pledges to work closely with the parents in this placement.
- ❖ **Dress Code** – We agree to support the school’s dress code. (Please refer to the Parent/Student Handbook and the Uniform Policy.)
- ❖ **Grievances** – We pledge our loyalty to the aims and ideal of the school and will bring any and all questions and concerns directly to the appropriate teacher so they may be properly considered by those in authority. Further questions and concerns are resolved using the Matthew 18 policy as written in the Parent/Student Handbook.
- ❖ **Financial Agreement** – We agree to fulfill all financial obligations promptly. We understand that tuition payment is to be made in compliance with the tuition plans offered.
- ❖ **Withdrawal** – We agree that should we choose to withdraw our child during the year, we will make an appointment with the school office to sign the proper withdrawal forms. Because of the year long commitment Laguna Madre Christian Academy must make to a teacher’s salary and because of the need to purchase many instructional materials for students, each family IS RESPONSIBLE FOR A FULL YEAR’S TUITION IF THEIR CHILD(REN) IS/ARE WITHDRAWN FOR ANY REASONS whether by action of the parents or by action of the school authorities.

There are four exceptions to this policy:

1. If the school be found guilty of negligence in a court of competent jurisdiction or through and agreed upon arbitration process and should the parents decide to withdraw their children from the school as a consequence, the school shall require that the parents pay tuition only through the end of the month in which such withdrawal occurred.
2. If the family moves from the Valley or more than 20 miles from the assigned Laguna Madre Christian Academy campus, tuition is payable only through the month in which the withdrawal occurred.

- 3. Regardless of the reason for withdrawal within a given school year, when a new student takes the seat of a withdrawn student a pro-rated tuition credit will be given to the withdrawn family.
- 4. Each student is accepted on a probationary period. If at anytime during this period (60 school days) the director or parent may deem that LMCA and the student are not a good fit for one another the student may be released from the contract.

We have read this Parental Agreement carefully and hereby agree to its terms.

Uniform Policy

Laguna Madre Christian Academy

A student's worth or acceptance should not be based on their economic background or whether they have submitted themselves to the latest trend. Yet we see our youth placing far too much emphasis on their outward appearance rather than the inward heart.

We believe what is important for our students is the business of learning, the way they treat others, the choices they make, and their distinctive Christian character. Propriety and modesty in dress are essential to our testimony.

A uniform policy will not be the answer to all situations that arise in our school, but it will help teach our children that this is an atmosphere where there is a respect for each other and of authority. What Laguna Madre Christian Academy desires is that we provide an excellent education and help nurture Godly character in our students.

The following is the required uniform dress-code for Laguna Madre Christian Academy. You may remove this portion of the application package to keep for your reference. The Student Handbook and LMCA Application are also available to view at any time on our website: www.lmcatexas.com

The required daily uniforms may be purchased at any store, but it is very important that they are purchased in the UNIFORM DEPARTMENT ONLY. Junior and adult sizes are available at J. C. Penny, Sears, Lands End, Academy, Target, Old Navy, The Children's Place and WalMart stores. If junior and adult sizes are purchased outside the uniform department, they must strictly conform to the uniform policy. Please review the policy carefully.
